RESPONSE

Sir:

This is in response to the Office Action mailed April 19, 2006.

In response to the restriction requirement, Applicant provisionally elects claims 1-27 for examination, this election being made with traverse.

In response to the requirement to elect one species for examination, Applicant provisionally elects the species of Figures 4-8 for prosecution on the merits. This election is also made with traverse.

Applicant submits that claim 1 is currently generic to all figures. Further, it is submitted that the structure of Figures 2 and 20 can properly be examined with the structure of Figures 4 and 8, without requiring a separate search. Figures 2 and 20 show a complete home installation, that can incorporate any of the specific heat
